

SAHARA TERMS OF USE

By accessing or using SAHARA, or by contributing images or other content to SAHARA, you agree to be bound by these terms and conditions of use ("SAHARA Terms of Use"), which may be modified from time to time by the Society of Architectural Historians ("SAH"). Any modifications to these SAHARA Terms of Use will be posted to the SAHARA website and/or the SAH website.

1. Description of SAHARA and How SAHARA Images May be Shared. SAHARA is a collection of visual materials, including still photographic images, QTVRs, films, videos and other visual media files, along with the Metadata related to such materials (collectively "SAHARA Images"), that depict the built environment. "Metadata" is defined as any commentary, cataloging, descriptions, texts, copyright information, attribution information, personal information, and other content or data associated with the SAHARA Images. SAHARA is being developed by SAH, through contributions of SAH members, for educational and scholarly uses. SAHARA is made available on the software platform created by ARTstor Inc. ("ARTstor Software Platform"), using tools developed by ARTstor Inc. ("ARTstor") and in some instances developed by both ARTstor and SAH (collectively "Access Software").

SAH makes some SAHARA Images available only through SAHARA, and in addition may share SAHARA Images with other resources for educational and scholarly purposes. Further, should a contributor to SAHARA of SAHARA Images so choose, SAH may make a contributor's contributed SAHARA Images available for Academic Publications or other purposes as defined below in Paragraph 3, or on other websites, for broader uses.

2. Limited License. You are granted a limited, personal, nontransferable license to use SAHARA, the ARTstor Software Platform, and the Access Software pursuant to these terms and to any additional terms and policies set forth by SAH.
3. Permitted Uses of SAHARA Images. Unless expressly permitted otherwise in writing, you may reproduce, distribute, publicly display and publicly perform SAHARA Images only for teaching, research and study purposes, including without limitation use in materials typically distributed by a teacher or lecturer in a class, such as class handouts, or distribution to a limited numbers of scholars, researchers or curators for the purposes of collaboration, comment or similar educational or scholarly use. When doing so, you must include the following attribution in Metadata associated with each SAHARA Image: (i) the SAHARA name and website address <www.saharaonline.org> and (ii) the copyright notice designated for such image (if any).

Some SAHARA Images, if clearly labeled as such, may be used for purposes other than teaching, research and study. If the SAHARA Images so indicate, you may use that SAHARA Image for academic and scholarly publications whose primary purpose is education and scholarship ("Academic Publications"). Academic Publications include, without limitation, educational and/or scholarly books, articles, websites (including commercial subscription websites), CD-ROMs, DVDs, and archival versions of the Academic Publications in non-profit electronic archives such as JSTOR (www.jstor.org) and/or in for-profit electronic library content providers such as Ebsco (www.epnet.com) or ProQuest (www.umi.com). This definition also extends to any and all future educational and scholarly technologies or media that develop to supplement or replace current technologies.

If you are accessing a SAHARA Images that has a different license attached to it, you may use the SAHARA Image in accordance with the terms of that license, in addition to using it pursuant to the SAHARA Terms of Use.

4. Prohibited Uses. You may not make any commercial use of any SAHARA Image. You may not modify or make derivative works of any SAHARA Image, such as cropping or editing a SAHARA Image. You may not make any modification to the Metadata, including copyright notices, appearing in SAHARA. In addition, you may not make any use that exceeds or violates these SAHARA Terms of Use.

Notwithstanding the foregoing, nothing in these SAHARA Terms of Use are in any way intended to limit, restrict or override any educational or other exceptions to copyright laws, including the U.S. doctrine of fair use at 17 U.S.C. § 107, provided that you shall be solely liable (and SAH, SAH Members ARTstor shall not be liable) for any uses you make of SAHARA Images under those exceptions.
